(a) The Kentucky Community and Technical College System shall be entitled to receive annually a supplement equal to the amount determined in subsection (1) of this section for each Kentucky fire and rescue training coordinator employed by the Kentucky Community and Technical College System who meets the qualifications for individual firefighters required in KRS 95A.230, plus an amount equal to the required employer's contribution on the supplement to the defined benefit pension plan; and

(b) The Department of Military Affairs shall be entitled to receive annually a supplement equal to the amount determined in subsection (1) of this section for each civilian firefighter employed by the Department of Military Affairs who meets the qualifications for individual firefighters required in KRS 95A.230, plus an amount equal to the required employer's contribution on the supplement to the defined benefit pension plan.

Each fire and rescue training coordinator employed by the Kentucky Community and Technical College System and each civilian firefighter employed by the Department of Military Affairs, whose employer receives a supplement pursuant to this subsection, shall receive distribution from that employer of the supplement which his or her qualifications brought to the employer. The supplement distributed shall be in addition to his or her regular salary.

→ Section 3. KRS 95A.262 is amended to read as follows:

(1) The Commission on Fire Protection Personnel Standards and Education shall, in cooperation with the Cabinet for Health and Family Services, develop and implement a continuing program to inoculate every paid and volunteer firefighter in Kentucky against hepatitis B. The program shall be funded from revenues allocated to the Firefighters Foundation Program fund pursuant to KRS 136.392 and 42.190. Any fire department which has inoculated its personnel during the period of July 1, 1991 to July 14, 1992, shall be reimbursed from these revenues for its costs incurred

up to the amount allowed by the Cabinet for <u>Health and Family Services</u>[Human

Except as provided in subsection (3) of this section, the Commission on Fire Protection Personnel Standards and Education shall allot on an annual basis a share of the funds accruing to and appropriated for volunteer fire department aid to volunteer fire departments in cities of all classes, fire protection districts organized pursuant to KRS Chapter 75, county districts established under authority of KRS 67.083, and volunteer fire departments created as nonprofit corporations pursuant to KRS Chapter 273. The commission shall allot eight thousand dollars (\$8,000) annually to each qualifying department, and beginning on July 1, 2001, the commission shall allot] eight thousand two hundred fifty dollars (\$8,250) annually, and beginning on July 1, 2018, the commission shall allot eleven thousand dollars (\$11,000) annually to each qualifying department. Any qualifying department which fails to participate satisfactorily in the Kentucky fire incident reporting system as described in KRS 304.13-380 shall forfeit annually five hundred dollars (\$500) of its allotment. If two (2) or more qualified volunteer fire departments, as defined in KRS 95A.500 to 95A.560, merge after January 1, 2000, then the allotment shall be in accordance with the provisions of KRS 95A.500 to 95A.560. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. A qualifying department shall include at least twelve (12) firefighters, a chief, and at least one (1) operational fire apparatus or one (1) on order. Fifty percent (50%) of the firefighters shall have completed at least one-half (1/2) of one hundred fifty (150) training hours, or as otherwise established by the commission under KRS 95A.240(6), toward certification within the first six (6)

(3)

months of the first year of the department's application for certification, and there shall be a plan to complete the one hundred fifty (150) training hours, or as otherwise established by the commission by KRS 95A.240(6), within the second year. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. No allotment shall exceed the total value of the funds, equipment, lands, and buildings made available to the local fire units from any source whatever for the year in which the allotment is made. A portion of the funds provided for above may be used to purchase group or blanket health insurance and shall be used to purchase workers' compensation insurance, and the remaining funds shall be distributed as set forth in this section.

There shall be allotted two hundred thousand dollars (\$200,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund that shall be allocated each fiscal year of the biennium to the firefighters training center fund, which is hereby created and established, for the purposes of constructing new or upgrading existing training centers for firefighters. If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars (\$200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.

(4) Applications for funding low-interest loans and firefighters' training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education

1		for their recommendation, approval, disapproval, or modification. The commission
2		shall review applications periodically, and shall, subject to funds available,
3		recommend which applications shall be funded and at what levels, together with any
4		terms and conditions the commission deems necessary.
5	(5)	Any department or entity eligible for and receiving funding pursuant to this section
6		shall have a minimum of fifty percent (50%) of its personnel certified as recognized
7		by the Commission on Fire Protection Personnel Standards and Education.
8	(6)	Upon the written request of any department, the Commission on Fire Protection
9		Personnel Standards and Education shall make available a certified training
10		program in a county of which such department is located.
11	(7)	The amount of reimbursement for any given year for costs incurred by the Kentucky
12		Community and Technical College System for administering these funds, including
13		but not limited to the expenses and costs of commission operations, shall be
14		determined by the commission and shall not exceed five percent (5%) of the total
15		amount of moneys accruing to the Firefighters Foundation Program fund which are
16		allotted for the purposes specified in this section during any fiscal year.
17	(8)	The commission shall withhold from the general distribution of funds under
18		subsection (2) of this section an amount which it deems sufficient to reimburse
19		volunteer fire departments for equipment lost or damaged beyond repair due to
20		hazardous material incidents.
21	(9)	Moneys withheld pursuant to subsection (8) of this section shall be distributed only
22		under the following terms and conditions:
23		(a) A volunteer fire department has lost or damaged beyond repair items of
24		personal protective clothing or equipment due to that equipment having been
25		lost or damaged as a result of an incident in which a hazardous material (as

4		(c)	The loss of or damage to the equipment has not been reimbursed by the person
5			responsible for the hazardous materials incident or by any other person;
6		(d)	The commission has determined that the volunteer fire department does not
7			have the fiscal resources to replace the equipment;
8		(e)	The commission has determined that the equipment sought to be replaced is

(14) There shall be allotted each year of the 1992-93 biennium one million dollars (\$1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars (\$1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

(15) For fiscal year 2004-2005 and each fiscal year thereafter, there is allotted one million dollars (\$1,000,000) from the fund established in KRS 95A.220 to be used by the commission to conduct training-related activities.
